

20" container	40" container	TCV	Articulated Lorry	Wide bodied	Accepts	System Tare	Volumetric	Int. Payload
<b>Fits 3</b>	<b>Fits 7</b>	<b>Fits 7</b>	<b>Fits 8</b>	<b>Fits 16</b>	<b>2 Euro Pallets</b>	<b>617kg</b>	<b>796kg</b>	<b>2153L</b>

## Features & Benefits

- 120 hour product protection for  $<-60^{\circ}\text{C}$  ( $<-76^{\circ}\text{F}$ ) (deep frozen) using dry ice in a constant refrigerated environment or 72 hours
- as per ISTA 7D testing
- Fully reusable solution
- Providing significant environmental advantages over disposable and semi-reusable systems
- Integral datalogger providing full audit trail and real-time internal and external temperature records
- Compatible with wide-bodied aircraft
- Accepts two Euro-pallet payloads, alternatively bulk-loaded
- No human intervention throughout transit required
