

20" container	40" container	TCV	Articulated Lorry	Wide bodied	Accepts	System Tare	Volumetric	Int. Payload
Fits 3	Fits 7	Fits 7	Fits 8	Fits 16	2 Euro Pallets	617kg	796kg	2153L

Features & Benefits

- 120 hour product protection for $<-60^{\circ}\text{C}$ ($<-76^{\circ}\text{F}$) (deep frozen) using dry ice
- Fully reusable solution
- Providing significant environmental advantages over disposable and semi-reusable systems
- Integral datalogger providing full audit trail and real-time internal and external temperature records
- Compatible with wide-bodied aircraft
- Accepts two Euro-pallet payloads, alternatively bulk-loaded
- No human intervention throughout transit required
